Principal's Message

2015 Enrolments:

As you are all aware Birkdale State School is now under an Enrolment Management Plan. However, families can apply from outside of the catchment area to be enrolled at Birkdale, provided there is space available on that year level. Each enrolment from outside our catchment needs to be considered carefully in terms of current student year level enrolments and dated at the time of receipt at the office. Currently we can enrol some students for 2015 in Prep, Year 1 and Year 6 year levels from out of catchment. As for families that live in our catchment area, there is always a place at Birkdale State School.

2015 Booklists will be available at the end of this month. Booklists will be emailed if we have your current email address. Paper copies will be available in the Office Foyer.

Meet and Greet: Current Prep to Year 5 students will meet their 2015 teacher and visit their 2015 classroom on the afternoon of Wednesday 10 December.

Our 2015 Prep families will meet their class teacher on the morning of Friday 5 December, starting with a BBQ at 8 am, in the fenced prep playground (near admin), then meeting the teachers at 8.30 a.m.

Always Our Best

The social skill focus for Week 6

An Assertive Class

Children develop the confidence to speak up.
Children solve problems displaying a positive manner.
Children express a point of view positively.
Children develop public speaking skills.
Children can stand up for themselves - No put downs.

Facebook Photos

At this time of year we have many social school events and taking photos of your children at these events is a great way to remember and share your children's primary school memories. However, please be mindful of the photos that you upload to Facebook or social media sites. Please do not upload any photos taken on school grounds or at school functions of students if you do not have the express permission of their parents. In extreme cases, particularly of the nature of Court Appointed Custody Orders, you may be prosecuted for unwittingly publishing the whereabouts of a child under the protection of the court.

Term 4 Wellbeing

With the warmer weather, it is vitally important to consider the hydration of your children. Children need to hydrate regularly at school and a couple of water bottles (one frozen and the other cold) are the best ways to ensure your child won't dehydrate through the day. Please resist from providing your child a sugar drink at school on these warmer days.
