Retail Customer Satisfaction Policy

100 Day Happiness Guarantee.

At Weareco we're confident our customers will be just as happy with a Weareco-made garment after washing and wearing as the day they bought it and we do everything possible to ensure that our products are of the highest standard possible.

All Weareco garments are supplied with a 12 month manufacturers warranty. The clothing warranty covers defect of workmanship and materials, but excludes damage caused by accident, improper care, negligence, normal wear and tear or the natural breakdown of material through time, exposure and extensive use.

Quality faults include both Fabric and Manufacturing faults such as: Fabric issues like the garment shrinks excessively or doesn't hold its shape, fades or runs after being washed according to care instructions, or the fabric has a pull or tear or hole before being worn. Manufacturing issues like broken stitching, faulty or missing zips, buttons and snaps, and prints, embellishments or trims that come off or are broken.

Claim Management

If a faulty garment is presented the item is forwarded to Weareco HQ for assessment and consultation with our Production Manager & Factory takes place to address the error and address and production alterations in future. All Weareco garments are labelled with the manufacture date which enables us to identify a faulty garment by batch number quickly.

Should a claim be presented outside of this time frame Weareco is also willing to assess and rectify any quality issues where fair and reasonable. Any concerns with Weareco's manufacturing quality after 12 months from the date of purchase are always directed to our customer service team on 07 3253 3100 or info@wearitto.com.au.

Manufacturing Guarantee

Customer satisfaction is at the heart of everything we do, at Weareco we understand that children are constantly changing. If you find a uniform is not the right fit after purchase and you change your mind, we will gladly exchange them with the identical item for the right size.

Exchanged items must be returned in the original packaging and be unworn and unwashed, unaltered, and with tags and labels intact. Exchanges are subject to stock availability. Simply visit the Wearitto Smart Centre where the uniform was purchased within 100 days of purchase and we will take care of your change item(s). Proof of purchase will be required.

Should a customer not have Proof of Purchase we will require a signature and official (photo) identification to capture the return in our system should there be any further issue. If a refund is requested, the purchase price (excluding delivery charges for online purchases will be refunded using the original payment method, once we have received the returned item and confirmed that it meets conditions in our policy.

Online Returns and Exchanges

We know shopping online without trying things on for size can sometimes result in 'uh-oh' moments or perhaps there's simply been a change of circumstance and an item is no longer required. Our rule of thumb is that if the purchaser or student is not completely satisfied, we'll gladly refund or exchange it for free in store. All we request is that we are informed within 100 days and the product is returned with the label attached in its original condition.

Please note that all postage is to be covered by the customer for 'change of mind' returns.

Visit www.weareco.com.au for fabric and garment care instructions.

All Weareco-made products have been tested against stretching, shrinking and pilling and that they won't lose their colour, wash after wash, after wash. However if something is faulty, or incorrectly made, we will happily either refund the purchase price (and delivery charges if applicable*) or provide a replacement product according to our legal obligations and Returns Policy
