

2025 APP LIST

Please find below a list of apps that all students will to install on their BYOD iPads in 2025. Birkdale State School has a comprehensive app list that includes essential applications required for every year level from Year 3 to Year 6. Once these apps are downloaded at the start of Year 3, they will continue to be used as your child progresses through the school.

Each year, teachers and the leadership team review the apps to ensure they remain relevant and effective for teaching and learning. Most of the apps are free, with only a few requiring a purchase. We ask that *Targeting Maths* be purchased each year, as it is grade-specific and tailored to each level. More details on how apps are used for teaching and learning at Birkdale State School is available in the BYOD Parent Handbook.

From 2025, we request that all apps from the school list be organised into a folder named "school" and any other apps be placed in a folder labelled "home." Families are welcome to begin setting up these folders in 2024 if they wish., or can wait until the start of the new school year.

As outlined in the 2025 iPad Agreement, please ensure that all of the apps on this app list are installed on your child's iPad.

NAME OF APP	APP ICON	Link To iTunes	QR Code
APPS INCLUDED IN THE STUDENT RESOURCE SCHEME (SRS)			
ABC Reading Eggs Learn to Read included in the SRS		https://apps.apple.com/au/app/abc-reading-eggs-learn-to-read/id726696040 <i>Log in details will be provided by classroom teachers at the start of each school year.</i>
